

Harold Wiener, PhD, Managing Partner, Terra Venture Partners

Harold is the Managing Partner of Terra Venture Partners, an Israeli impact venture capital with \$60M under management and 18 portfolio companies.

With more than 20 years' industrial and operational experience, Harold Wiener is a veteran in the world of biotechnology, chemistry, nutraceuticals (food supplements) and corporate strategic research and development.

He has led product development and marketing processes for early- and growth-stage companies.

Prior to founding Terra in 2007, Harold was one of the founders and Business Development Manager for Algatechnologies, VP R&D/Business Development at Aromor Flavors and Fragrances and the CTO of the Misgav Incubator, the leading medical devices incubator in Israel.

Harold has a PhD in applied chemistry from the Hebrew University of Jerusalem. He has co-authored more than 20 scientific papers and patents.
