

Blue I Water Technologies
CEO, Oren Blonder

Oren Blonder - CEO

Oren has vast experience in the water technology industry. Before joining Blue I Water Technologies in 2015, he held senior positions in Memtech Advanced Membrane Technologies; Whitewater Technologies; the Agriculture, Water & Environment Department at The Peres Center for Peace; and the Andreas Agricultural Development Trust. "To me Blue I has always been an icon of Israeli innovation in the water sector. It is already a widely recognized brand around the world and I am honored to continue leading the company into the future," he said when he was appointed CEO. Oren holds academic degrees in statistics (B.Sc.) and in social science (M.A.) from Tel Aviv University.
