

Tamar (Tami) Shor

Tamar (Tami) Shor is the COO of N-Drip, a start-up company introducing innovative cutting-edge irrigation technology. Prior to N-Drip Tami has served 14 years in the Israeli Governmental Water Authority as Senior Deputy Director General overseeing nationwide water regulation. Tami holds B.Sc and M.Sc in Engineering and Management of Water Resources from the Technion, Israel Institute of Technology, and a MC-MPA from Harvard university, and teaches regulation and economy of infrastructure systems in the Hebrew University. Tami has joined N-Drip out of passion for water and environment, with a mission to help addressing global water scarcity.
